## **NOTICE TO DP WORLD CUSTOMERS**

### **Fisherman Islands Terminal**

Clients are advised that effective from **1<sup>st</sup> September 2010**, Import Storage Rates for laden and empty containers held at Fisherman Islands Terminal will be amended to reflect the increase in terminal occupancy costs and the need to reduce dwell times and improve efficiency for all concerned.

Cheques are no longer accepted for the payment of storage. All storage must be paid prior to the carrier arriving at the terminal to collect the container. Consignees and transport companies are reminded that containers will not be released until all due storage has been paid.

The attached document details the Import Storage charges from 1<sup>st</sup> September 2010 for your reference.
